Dear Parents and Guardians of Hampshire High School Juniors:

In order to prepare our students for the ACT exam, Hampshire High School will offer ACT TEST PREP SEMINARS in January - April 2012. Hampshire's program offers students instruction directed at improving their content and test skills for the ACT.

Hampshire's ACT Seminars will be offered on Mondays and/or Wednesdays each week of school from January 23 –March 19. There are a limited number of spaces available for Hampshire's ACT sessions; therefore, interested students should register and pay for their spots as soon as possible. Payment for the program is \$35.00 per session, payable by check to Hampshire High School. Registration reserving a place in the program will be taken at the time of payment. Your canceled check will confirm your enrollment. There will be no refunds after the first day of classes on January 23, 2012.

The ACT will be administered as part of the Prairie State Achievement Examination on April 24, 2012, at Hampshire High School. It will be a valid ACT examination and will be accepted as such by all colleges and universities in Illinois, as well as at virtually any other college or university in the United States.

Please see the reverse side for our schedule and registration form which can be mailed or returned to the High School Counseling Office. The deadline for registering is January 9 or until class capacities are reached. Please feel free to contact me if you have any questions regarding our ACT Test Prep Program.

Sincerely,

Janine M. Steffen, Ed.D.  
Assistant Principal

## HAMPSHIRE HIGH SCHOOL

### ACT/PSAE TEST Preparation Seminar 2012

Hampshire High School ACT Seminar is a program designed to familiarize Juniors with the ACT assessment through simulated test experiences, instruction and review of the material tested on the English and math sections, and the skills and strategies needed for the reading and science reasoning sections. This year you may choose the courses you would like to take. We offer courses for English, math, science, and reading. This program is open to all students wishing to maximize their performance on this important assessment for college admissions and scholarships.

Cost: \$35.00/session (\$125.00 for any four sessions)

When: Mondays (3:10 - 4:15pm) and Wednesdays (6:10 – 7:15pm)
