

EMERGENCY SCHOOL CLOSINGS INCLEMENT WEATHER

All school closing announcements and emergency notices will be made through automated phone calls from District 300's Rapid Communications system (RCS). This service will be used for emergencies such as snow days, lock-downs, and major health alerts. The system will leave a message on answering machines. It pulls telephone contact information from Infinite Campus for parents/guardians. **It is very important that we have your current home phone number.** If you have changed, or plan to change, your current phone number, please contact the school office at (224) 484-4700 so we can update your information.

If all District schools are closed due to weather or other emergency, all extracurricular activities will be cancelled. High School interscholastic sport activities and practices will be cancelled. "Exceptions to this rule shall be made by the Superintendent/designee."
