

## Summary 9-13-10

At the September 13<sup>th</sup> late-arrival at Hampshire High School, teachers worked to finalize their RTI vocabulary lists and discussed the upcoming pre-tests to take place during the week of September 20<sup>th</sup>. These vocabulary lists are designed to give students a strong foundation on the critical terms that they must know in their courses. RTI is being used to determine where students are at and offer interventions to help their learning.

Dr. Cheryl Crates visited teachers to give them an update of the D300 budget and benefit situation and afterwards teachers broke into their PLT's to continue work on their Action Plans for implementing the College Readiness Skills into their courses for the 2010-2011 school year. The next late-arrival for HHS is on September 27<sup>th</sup>.
