

PUBLIC NOTICE

District Wide Application of Lawn Care Products

Pursuant to requirements of Illinois Compiled Statutes Environmental Safety Lawn Care Products Application and Notice Act 415ILCS 65/3, notice is given here by District 300 that the following lawn care product applications have been scheduled. There will be a district wide application of Roundup Quick Pro, Pramitol 25E, Trimec Classic and Surflan for weed control along fence lines, paved areas, foundations, and planting beds. **These will be applied by certified D300 personnel between Mar 1st and Dec. 31st, 2017.** Specific dates will be posted on the school/building 4 days prior to each application.

Spring Application

Building & Grounds

At Dundee Crown High School and Perry Elementary

April 29th 2017

Spot Spraying - Weed Control Application

If additional control applications are needed, a 4 day notice will also be given prior to those applications. Questions should be directed to D300 Building and Grounds at 847-417-0748.
