

DISTRICT 300 **CUSD300 Dual Language Program**
Kindergarten Application
 School Year 2017-2018

Thank you for your interest in the District 300 Dual Language Program being offered. We believe this program will be a positive experience for your child. As you apply for your child's participation, we ask that you commit to the six full years of Kindergarten through 5th grade education in the dual language program. The support and partnership between parents and school is the key to our success.

Please complete the following before you leave today's meeting:

1. This application (To be handed in today)
2. Sign-up for your child to be screened at your child's home school.

It is important that you still register your child at your neighborhood school. Parents will be notified in writing if their child has been accepted or not in the program by **March 22, 2017. In the case of a lottery drawing for enrollment, it will be a live webcast posted on the D300 website on March 22, 2017 at 1:00PM.**

If you have any questions, please contact Mr. Joshua Perdomo at 847-551-8324 or Juan Suarez at 847-551-8424.
