DUNDEE-CROWN HIGH SCHOOL
Saturday, April 8, 2017 – 8:00 AM to 12:00 PM

FESTIVAL ROOMS:

Please enter the building through the auditorium entrance on the south side of the building. All festival rooms will have numbers that correspond with the solo and ensemble lists, and there will be signs pointing you in the right direction. Monitors will also be on duty to help you locate your assigned room.

WARM-UP ROOMS:

A warm-up room is designated for all areas except for piano. Cases and coats should be placed in the warm-up room during the performance. Piano students may warm-up in their performance room during the first scheduled minute of their performance time.

PARTICIPANTS:

You should be in the warm-up room and ready at least 15 minutes before the assigned time of your appearance. Do not be late! It is your responsibility to be in your assigned room on time. In the event of a conflict, please notify the monitor in charge of your assigned room that you will be late. Each student is to bring a judge's copy of their music to the festival room. Measures should be numbered.

You will receive your comment sheet and ribbon as soon as you have performed.

PARENTS AND SPECTATORS:

Parents and spectators are allowed to enter any festival room between performances. Monitors will not allow persons to enter during a performance. The door will be opened between selections. Admission is free. We invite all parents and interested spectators to attend and listen to the participants.

DRESS:

Participants should dress neatly. Your overall rating depends on appearance and neatness.

DEPORTMENT:

Playing instruments in the halls or washrooms is prohibited. Please do all your playing in the festival warm-up rooms. Anyone who distracts a performer or disturbs the procedure of this festival may be disqualified and asked to leave. Ultimately, please be courteous to all other performers and guests!
