

Dundee Highlands "Souper Bowl VII" Collection Drive for F.I.S.H. Food Pantry

Jan. 31 - Mar. 3

Dundee Highlands Elementary School is joining hundreds of other schools, clubs, and sports teams across the country in an event called the "***Souper Bowl of Caring***". We are all working together to raise money and collect donations for our local food pantries. The students at DHES are collecting items for Carpentersville-based F.I.S.H. food pantry, which helps over 30,000 people in our area each year.

We're collecting:

****non-perishable food items (i.e. soup, cereal, rice, beans)***

****personal care items (i.e. soap, toothpaste, deodorant)***

If you would like to help, please have your child bring their donations to school between **Jan. 31-Mar. 3**. And please feel free to invite neighbors and family members to help us in our efforts to "Tackle Hunger"!

Thank you for your generous support!!!
