

Lake in the Hills Virtual Backpack

Good afternoon LITH families,

We want to thank you yet again for your patience as we continually work to remove barriers to learning. The internet has been less than kind to us this past week. The district's tech team has been working around the clock to problem solve with the local provider. Please remember that we are here to help assist you during these challenging times. You can reach out to us for any questions, concerns, or tech support. Our office staff is here to walk you through logging in or for any Powerschool Learning questions. **Please note that you will need to authenticate your account daily to enter your Zoom links everyday.**
