Spring is Upon Us...

I cannot believe that we are already approaching the beginning of March. This school year continues to fly by. February was a fun-filled month. It was great to have so many families attend the Valentine's Day parties and Learning in a Winter WONDERland. The parental support at DHES is amazing. Thanks for all you do. The DHES Student Council and Service Club also appreciates all the support and participation in this year's SOUPer Bowl. We collected 10,033 items as a school! March is a busy month so please take a moment to read about upcoming events at DHES.

i-Ready Success at DHES

DHES i-Ready Goals:

DHES is striving for all students to achieve their monthly grade level goal. Students can complete lessons at home and at school. Many students continue to be acknowledged for their hard work and we love seeing their Tiki keychains on backpacks or chromebook cases.

Upcoming iReady School Celebration

Students who meet their grade level goal during the month of March will be invited to attend a movie celebration in April. On Friday, April 5, students who have met their grade level goal will be invited to wear pjs to school and will watch a movie with popcorn in the gym. Since we continue to have more and more students meeting their grade goal, we have decided to have the celebration during the school day instead of after school. Students have the entire month of March to meet their grade level goal. The December iReady Celebration had over 300 students and we are hoping to surpass that number in March. Thanks for your support!

Student Attendance

If/When your child is going to be absent from school (full or half day), you must call the main office to report the absence. You can always email your child's teacher to let them know, but all attendance must be handled through the main office. I appreciate your help and support with this.
