3. Receive notice with respect to identification, evaluation, or placement of your child;

6. Have your child receive an individualized evaluation and receive specialized education services if he/she is found eligible under section 504 of the Rehabilitation Act;

9. Have your child be given an equal opportunity to participate in nonacademic and extracurricular activities offered by the district;
10. Examine all relevant records relating to decisions regarding your child's identification, evaluation, educational program and placement and obtain copies of educational records at a reasonable cost unless the fee would effectively deny you access to the records;
